

# WE LEFT IT BEHIND BECAUSE...

**PLEASE NOTE**

It's important to remember that while having your material left behind is upsetting, there is a good reason for it. For more specific information please refer to guidelines throughout the calendar.

## COMMON REASONS FOR MISSED COLLECTIONS

- Items not out by 7:00 AM.
- Items hidden (behind parked vehicles, snowbanks, etc.)
- Materials not scheduled for collection that particular week
- Collections cancelled due to inclement weather. The normal practice is to collect double the following collection week
- Access issues (construction, snow/ice, overgrown trees, animal issues)

## COMMON REASONS FOR REFUSED COLLECTIONS

- Waste not placed in acceptable containers
- Bags/containers over the limit without a County garbage tag affixed
- Presence of prohibited waste or non recyclable items in recycling bins
- Items exceed weight limit of 20 kg or exceed volume limit of 77 litres
- Plastic bags in the green bin
