IMPORTANT NOTICE

OUTDOOR WATER RESTRICTIONS

Please be advised that, until further notice, the outside use of water for residents on the Colgan water system will be restricted to the watering of gardens only.

No other external use of water will be permitted, including the watering of lawns, washing of vehicles, filling swimming pools, etcetera.

As in previous years, water use has placed a strain on our ability to provide a sufficient amount of water to our residents in Colgan, and we seek your co-operation in limiting the use of water outdoors until cooler weather reduces the demand on our water supply.

Bylaw 94-60 provides for a fine of \$100.00 for the first offence, \$200.00 for the second offence, and \$300.00 for the third and every successive offence for failure to comply.

Council and staff seek your co-operation in helping to reduce water use, and we will advise you when the restriction on outdoor water use is removed.

Please do not hesitate to contact the Municipal Office at 705-434-5055 with any questions or concerns.

Eric Wargel
Director of Public Works
